## Your Bold Companion for Bold New Journeys

Whether you're a seeker of breathtaking vistas or a fearless adventurer in pursuit of the extraordinary, Škoda stands as your unwavering bold companion. Get ready to embark on an unforgettable journey filled with cherished moments - let's drive, let's explore.

## Exterior Design

Embrace the work of art in motion: a symphony of innovative design with bold aesthetics, tailor-made for unveiling the explorer within you.

## Front View

Škoda Kushaq's signature grille, chrome accents, striking headlamps, and fog lamps are a testament to design excellence.

## Top View

Embrace the beauty of infinite sky with the mesmerizing electric sunroof.

## Rear View

Škoda Kushaq gracefully echoes its heritage with rear lettering and czech crystal-inspired tail lights, wrapped in a dynamic design.

## Light Design

Škoda Kushaq's impeccable design enhanced by complete led system for uninterrupted exploration.

# Enhance Your Exploration with Light Design

## Škoda Crystalline LED Headlamps with Day Time Running Lights

The main headlamps boast an eye-catching integrated strip of LED day time running lights. Under poor light conditions, the fog lamps with their static cornering function come into their own, ensuring maximum safety.

## Škoda Crystalline Split LED Tail Lamps

The rear lights have LED technology as standard, while the crystalline design refers to Czech cubism and the country's glass-making tradition. Their sharp lines make the vehicle stand out confidently.

## Interior Design

Embrace the lap of luxury every time you drive.

## Comfort and Space

Begin your exploration enveloped in unparalleled comfort and space. Škoda's craftsmanship shines through its sleek black leatherette seats, offering an extraordinary premium escapade.

### The Electric Sunroof

The Electric Sunroof with anti - pinch technology allows you to create a large open space above the seats, so you can enjoy new vistas and the journey even more.

## Infotainment, Cockpit and Connectivity at Your Fingertips

With Škoda Kushaq's whole range of infotainment and connectivity features, you are all set for an exploration infused with entertainment.

## 25.4cm Škoda Infotainment System

A statement piece on the dashboard, the infotainment system can be operated via touch controls. With Wireless SmartLink (Apple CarPlay & Android Auto), seamlessly connect your phone to the system to access Škoda Play Apps, browse menus, navigate, make calls, and more – making every drive a delightful experience.

## 20.32cm Škoda Virtual Cockpit

The virtual display behind the steering wheel features information like speed, distance travelled, service interval, average fuel consumption and much more.

# MyŠKODA ConnectED

## MyŠKODA ConnectED Online Services

The inbuilt connectivity mobile online services can be accessed at any time via the MyŠKODA ConnectED app. The app displays features like Vehicle Health Report and remote vehicle data retrieval, including parking location, through automated data storage upon ignition shutdown.

### Track Your Car

Keep an eye on the car location from your home or office. Stay informed when someone is driving your car.

### Real-time Speed Tracking

Monitor the real time driving speed.

### Geofence Breach Notification

Add geofence boundary for your car, get an alert as geofence area is breached.

### Road Side Assistance

Get road side services like flat tyre repair, battery jump-start, refuelling, towing and a lot more.

### Route Tracking / Deviation Alert

Live track the travel route taken by your family and get quick deviation alerts.

### Walk To Car

Locate your car quickly in big parking lots or crowded areas.

### Device Tampering Alert

Stay alert with prompt notifications on device tampering.

### Driving Behaviour

Get real-time information on driving behaviour eg: harsh braking, sharp turns, over speeding, rapid acceleration, etc.

## Performance

Built to power through without compromising on performance, the Škoda Kushaq is a powerhouse on the inside and outside.

## Engine

The Škoda Kushaq comes with 2 engine variants - 1.0 TSI and 1.5 TSI. The engines are modern, dynamic, and efficient.

### 1.0 TSI Engine

The 1.0 TSI engine, with 85 kW power and 178 Nm torque, is powerful yet efficient. The engine is available in both manual and automatic.

### 1.5 TSI Engine\*

The Škoda Kushaq's 1.5 TSI DSG engine with ACT - Active Cylinder Technology, the first in segment, churns out 110 kW power. Over 250 Nm torque ensures great acceleration and an enjoyable drive.

## Manual Transmission

The car is offered with a 6-speed manual transmission.

## Automatic Transmission

Depending on the engine, the car can be equipped with 6-speed automatic and 7-speed DSG transmission.

GLOBAL NCAP  
FOR SAFER CARS

## Safety

Explore every km with confidence in  
India's first ever car with 5-star rating in child & adult safety.

## High Strength Steel Frames

Škoda Kushaq's marvelous design and engineering represent the epitome of safety, as evidenced by its 5-star Global NCAP rating for child and adult safety.

## Safe Happens

In critical scenarios beyond driver control, the car's passive features, like airbags, assume control.

### Front Side Airbags

These airbags protect the pelvis and chest of the driver and passengers in case of a side collision.

### Curtain Airbags

These two airbags protect the pelvis and chest of the driver and other passengers in the event of a side collision.

### Driver & Passenger Front Airbags

While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard. If needed, this can be deactivated when a child seat is installed on the front seat.

### Traction Control System (TCS)

TCS/ASR stabilizes the vehicle during acceleration or low-grip conditions by cutting drive power to spinning wheels.

### Anti-lock Braking System (ABS)

ABS helps maintain control of the vehicle during emergency braking. An ABS intervention is noticeable by pulsating movements of the brake pedal.

### Roll Over Protection

On identifying a rollover threat, the ESC brakes particular wheels as prevention.

### Brake Disc Wiping

BDW (rain) feature is to prevent slow brake "kick-in" in emergency situations.

### Motor Slip Regulation (MSR)

MSR helps maintain control during sudden speed reduction by preventing driven wheel lock, ensuring smoother rotation and control through increased engine speed.

### Electronic Differential Locking System

EDS helps to stabilise the vehicle when driving on road surfaces with different grip under the individual wheels. XDS+ helps to keep the vehicle on the turn by effectively braking the wheels on the inner side of the turn. XDS is functional up to 30km/hr.

### Hill Hold Control

HHC allows a safe start uphill without using the parking brake.

### Tyre Pressure Monitoring System

Avoid unnecessary pitstops by keeping tabs on your tyres. This feature, which is standard across all variants, detects and alerts the driver to a drop in pressure in any of the 4 tyres.

### Electronic Stability Control (Available Across All Variants)

ESC helps to maintain directional stability and tyre traction during understeer and oversteer.

## Storage and Utility

From glasses to refreshments, the spacious storage effortlessly carries your essentials, granting you the freedom to explore without limitations.

## Luggage Capacity

Škoda kushaq's extra spacious luggage compartment not only ensures practicality and organization but also empowers your spirit of exploration. The standard rear seats (60:40 folding split) offer a voluminous 385 liters of boot space, complete with 2 fixed hooks and top-tether points. When the journey calls for it, effortlessly fold rear seats via the remote release button for convenience on the go.
