PRICE LIST SWITZERLAND – JANUARY 2023 – VERSION 1

# HYPER-SUV

The **Lotus Eletre** is the first all-electric hyper-SUV. It takes the core principles and Lotus DNA from more than 70 years of sports car design and engineering, evolving them into a groundbreaking new lifestyle car beyond all existing categories. Its bold design signals the start of a new era, while its Lotus characteristics remain clearly visible. The next-level aerodynamics and powerful electric motors make it capable of 0-100km/h in less than three seconds\*, while the pioneering technology and sustainable high-quality materials are bound to take every journey to a new level of premium.

\* Lotus Eletre R.

Homologation process is ongoing. Actual charging speed and charging time may be affected by battery condition, temperature and external weather conditions.

## CUSTOMER BENEFITS

Eletre is the result of countless hours of crafting, testing and perfecting, all in service of guaranteeing you a carefree ride. A feeling of comfort that is complemented by the Eletre's standard 5-year or 150.000 km basic warranty that covers every component of your Lotus. So that if ever you do need assistance, you can rest assured you are well taken care of.

In addition to the basic warranty, the paint of your Eletre is covered for 5 years, regardless of how much you'll drive. For the high voltage components, 8 years or 200.000 km apply (min. State of Health of battery being 70%) and the anti-corrosion warranty has you covered for 12 years, no matter the number your odometer shows.

Of course, any damage to your Eletre falling under the warranty coverage is repaired free of charge by a Lotus Authorised Repairer of your choosing.

For complete peace of mind, your Eletre also comes with Roadside Assistance coverage for the first 5 years.
