**ABOVE & BEYOND**

Ever since the first Land Rover vehicle was conceived in 1947, we have built vehicles that challenge what is possible. These in turn have challenged their owners to explore new territories and conquer difficult terrains. Our vehicles epitomise the values of the designers and engineers who have created them. Each one instilled with iconic British design cues, delivering capability with composure. Which is how we continue to break new ground, defy conventions and encourage each other to go further. Land Rover truly enables you to make more of your world, to go above and beyond.

DISCOVERY SPORT COMBINES  
DESIGN EXCELLENCE, ENGINEERING  
INTEGRITY AND EXCEPTIONAL  
VERSATILITY TO CREATE A PREMIUM  
COMPACT SUV.

Gerry McGovern.  
Land Rover Design Director and Chief Creative Officer.

## DESIGN

# EXTERIOR

This is a modern, relevant and compelling vehicle, with its well-proportioned compact body and purposeful stance. Its distinctive silhouette and beautifully sculpted surfaces all combine to create a vehicle that truly connects on an emotional level.

Discovery Sport is ready for anything. Characteristic design cues complement perfectly balanced proportions. Strong dynamic lines and robust detailing signal Discovery Sport's incredible breadth of capability.

Signature features include a clamshell bonnet and distinctive two-bar grille with hexagonal mesh.

The fast bonnet line with a pronounced step into the rising beltline conveys a dramatic stance, whilst the roof tapers subtly downwards, adding extra dynamism.

## INTERIOR

The desirability of the exterior design continues into the cabin with bold horizontal and vertical lines, complemented by clean surfaces, superb finishes and optional premium leathers that give a luxury feel to the highly versatile interior. Inside and outside seamlessly blend into a vehicle that clearly communicates its Discovery DNA, whilst firmly looking forward. This spirit of adventure is reflected in Discovery Sport's interior, which has been designed with you at its core. It features high-quality materials and a strong vertical centre console design to reflect the premium exterior.

The cabin is equipped with up to four 12 V power points and six USB charging sockets. These can be specified for all three rows of seating, allowing multiple electronic devices to be charged simultaneously.

### COMMAND DRIVING POSITION

The Command Driving Position in Discovery Sport ensures a greater view of the road ahead, so all terrains can be tackled with confidence.

Interior shown left and above is HSE Luxury in Glacier/Lunar (Not available in market).  
Vehicle shown above right is HSE Luxury in Scotia Grey (Not available in market).

## 5+2 SEATING<sup>1</sup>

Discovery Sport offers exemplary levels of comfort and outstanding versatility. The second row is extremely spacious and flexible with the seats able to slide back and forth by 160 mm for greater loadspace or comfort<sup>2</sup>.

The third row, with its simple, single-handed 50:50 deployment, has been cleverly incorporated to avoid any compromises to the vehicle's exterior design, whilst maintaining passenger comfort.

By folding down the third row, a flat loadspace is available for whenever you need it. So wherever you're seated, or whatever you want to carry, you can relax.

### LEGROOM

839 mm

### MORE LEGROOM

999 mm

### LOADSPACE

1 887 mm

<sup>1</sup>Standard on SE, Landmark Edition, HSE and HSE Luxury models.

<sup>2</sup>Not available with Pure models.

Interior shown left is HSE Luxury in Glacier/Lunar (Not available in market).

## LOADSPACE CAPACITY

Deceptively roomy. Cleverly configured. Discovery Sport has been designed and engineered to meet any challenge.

The vehicle has the option of flexible seating which, when stored flat, gives a load floor that is as long as Range Rover and a maximum loadspace of 1 698 l.

Even whilst carrying five passengers, the loadspace is still an impressive 981 l. Discovery Sport can handle bulkier loads with consummate ease when the second and third rows are folded flat. Such flexibility helps make carrying family, friends and all their gear that much easier.

## DYNAMIC DESIGN PACK

### EXTERIOR

The Discovery Sport Dynamic Design Pack delivers a more assertive stance whilst retaining the instantly recognisable design cues of the Discovery Sport. Yet, when it comes to capability and versatility, nothing has been lost. The Dynamic Design Pack is fitted as standard on the TD4 132 kW HSE Luxury.

## DRIVING TECHNOLOGY

# TESTING

Before any vehicle can carry the Land Rover badge, it must complete a series of rigorous tests to establish the very highest levels of luxury, performance and capability.

### SUSPENSION

You're unlikely to push any Land Rover harder than we have. For an unrivalled breadth of dynamic capability, both on and off-road, the vehicles have been exposed to ten years of the most extreme driving pressures in a fraction of the time using our state-of-the-art test rig.

### WIND SPEED

Discovery Sport was developed in state-of-the-art wind tunnels and a suite of climatic chambers to recreate some of the most challenging aerodynamic conditions it will face. Only by pushing all systems to their limits do we develop true reliability.

### HOT AND COLD CLIMATE

In real-world environments and our climate chambers, we freeze vehicles to -40°C and bake them to 50°C. Key functions and systems are then scrutinised to our exacting standards. So even in the most remote locations, comfort and peace of mind are never far away.

### OFF-ROAD

From the icy proving grounds of Arjeplog, Sweden, to Dubai's unforgiving desert sands, we ensure our legendary all-terrain performance is innate in every vehicle. Prototypes are developed across approximately 8 500 km of the most demanding off-road routes.

### SEMI-ANECHOIC CHAMBER

In the 'neutral sound' of our semi-anechoic chamber we precisely expose the cabin to a range of frequencies and vibrations, making certain that Discovery Sport sounds refined at every speed and across every surface.

### MONSOON

Our water testing facilities ensure each vehicle can enter and exit a body of water without a single droplet entering the cabin. In the monsoon simulator each one is drenched with some 85 000 l of specially dyed water, while tilting it by as much as 45°, checking for even the slightest leak with UV lights.

# TERRAIN RESPONSE

Land Rover has always been synonymous with capability and the Discovery Sport lives up to even the most demanding expectations. Confident and responsive, the drive is further enhanced by a generous wheel articulation and innovative off-road technologies such as Terrain Response.

This feature is standard on all AWD vehicles and adapts to the responses of the vehicle's engine, transmission, differentials and chassis systems to maximise driveability, comfort and traction.

There are four standard Terrain Response settings: General Driving, Grass/Gravel/Snow, Mud & Ruts and Sand. So, the vehicle feels sure-footed no matter what the terrain or weather conditions.

Grass, Gravel, Snow

General Driving

Sand

Mud & Ruts

Vehicle shown right is HSE Luxury in Scotia Grey (Not available in market).

## ALL TERRAIN PROGRESS CONTROL

All Terrain Progress Control (ATPC) is a state-of-the-art system that enables drivers to set and maintain a steady speed in challenging conditions. The system is fitted as standard on TD4 132 kW and Si4 engines.

Operating like a cruise control system, it functions at very low speeds between 1.8 km/h and 30 km/h, helping the driver to maintain full concentration on steering and finding a path through obstacles.

In addition, the system enables the vehicle to pull away smoothly and easily, even on tricky low-friction surfaces like ice, snow or wet grass.

Developed by Land Rover's industry-leading all-terrain specialists, it works seamlessly alongside the standard **Terrain Response**, All Wheel Drive (AWD) traction and braking systems.

Once ATPC is activated, the standard steering wheel +/- cruise control buttons are used to set the speed. Brake and accelerator pedals can still override the chosen settings.

## HILL DESCENT CONTROL

Land Rover's patented Hill Descent Control (HDC) is a standard feature on all All Wheel Drive (AWD) vehicles. It assists the driver with controlled descents of difficult slopes by maintaining a constant speed and applying braking separately to each wheel.

**Hill Start Assist** ensures the vehicle doesn't roll backwards as it pulls away on an incline.

The vehicle also utilises **Gradient Release Control (GRC)** which is designed to prevent the vehicle accelerating too quickly on a steep incline when the driver releases the brake.

TECHNOLOGY

## INFOTAINMENT

InControl is our suite of advanced technologies that links both you and your Discovery Sport to the wider world.  
Choose from two infotainment systems: Touch or Touch Pro.

Get your life InControl at [landrover.in/ownership/incontrol](http://landrover.in/ownership/incontrol)

InControl features, options and their availability remain market dependent – check with your Land Rover Retailer for local market availability and full terms. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. InControl Apps will need to be downloaded from the Apple/Play Store. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

## TOUCH

### STANDARD ON PURE, SE, LANDMARK EDITION, AND HSE MODELS

- 20.32 cm (8) Touchscreen
- Sound System with 6 speakers (Standard on Pure models only)
- Enhanced Sound System 190 W with 10 speakers (Standard on SE and Landmark Edition)
- Meridian™ Sound System 380 W with 10 speakers plus subwoofer (Standard on HSE)
- Navigation including Voice Recognition (Standard on Landmark Edition and HSE models)
- InControl Apps features a range of Land Rover approved apps that can be connected to Discovery Sport from your smartphone, to enhance aspects of your in-car experience.

## TOUCH PRO

### STANDARD ON HSE LUXURY MODELS

- 25.4 cm (10) Touch Pro
- Meridian™ Surround Sound System 825 W with 16 speakers plus subwoofer
- Navigation Pro including Voice Recognition
- Pro Services including Wi-Fi Hotspot\*, Route Planner App, Share ETA, Live Services, Commute Mode, Arrival Mode and Arrival Mode Parking
- Rear Seat Entertainment
- InControl Apps.

\*Online functionality and Wi-Fi connectivity is dependent on the installation of a micro SIM with a suitable data contract.  
Please refer to the standard and optional feature listing on pages 54-63. Vehicle shown left is HSE Luxury in Yulong White (Not available in market).

## AUDIO

For the sharpest sound quality, Discovery Sport offers you the choice of three exceptional audio systems. With 6 speakers, the Sound System in Discovery Sport Pure delivers a crisp, well-balanced sound. A 10 speaker system comes as standard on SE and Landmark Edition, adding further depth and clarity.

Added to which, Land Rover has partnered with Meridian™, a world leader in high-performance audio technologies and digital sound processing, to develop advanced audio systems for Discovery Sport.

Dynamic Volume Control technology has been integrated on all Meridian sound systems, to ensure that any unwanted noise detected in the cabin will be smoothly and automatically balanced out.

The Meridian™ Sound System 380 W is standard on HSE as part of the Touch suite of features.

This sound system includes 10 speakers and a dual channel subwoofer, delivering exceptional definition, crystal clear highs and full, deep bass through the careful arrangement of speakers.

Discovery Sport also offers an upgrade from the 380 W system to the Touch Pro Meridian Surround Sound System, which produces 825 W through 16 speakers and a dual channel subwoofer. This system is standard on HSE Luxury models.

This system also includes Meridian Trifield™ technology. This technology delivers the very best in world-class audio reproduction, bringing you closer to the original performance regardless of your position in the vehicle; everyone will feel and hear pure musical enjoyment.

Meridian is a registered trademark of Meridian Audio Ltd.  
Trifield and the "three fields" device is a trademark of Trifield Productions Ltd.  
Interior shown left is HSE Luxury in Glacier/Lunar (Not available in market).

SUBWOOFER

# CONNECTIVITY

Touch and Touch Pro provide a wealth of information and entertainment.

## PLANNING ROUTES

Before setting off, use the Route Planner app or online portal to search, save locations or set your destination. The app uses the Cloud to send your destination automatically to your vehicle's navigation screen.

## STAYING CONNECTED

On the road, the in-car Wi-Fi Hotspot\* provides a stable Internet connection and lets you connect up to eight devices.

## STAYING FOCUSED

Our Touch Pro Voice Recognition system understands normal spoken instructions, so you can concentrate on the road ahead without any distractions.

InControl features, options and their availability remain market dependent – check with your Land Rover Retailer for local market availability and full terms. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. InControl Apps will need to be downloaded from the Apple/Play Store. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

## MOVING FASTER

Touch Pro brings you more processing power, thanks to a quad core processor plus an integrated Ethernet network.

Customisable homescreens let you arrange the screen, as you like, with up to four personalised homescreens and over 60 shortcuts.

## INTELLIGENT ROUTING

Commute Mode allows the system to learn your commutes and automatically advises you of the expected journey time based on live and historical traffic movements without having to input a destination. The system learns the routes you take for a given destination and then advises which of those is the quickest. Standard with HSE Luxury only.

## SHARING PROGRESS

Share your estimated time of arrival so your selected contact(s) will know exactly when you will arrive, as calculated by the navigation guidance system. If you're running late, Share ETA can then send automatic updates via text or email, without any further action from you. Standard with HSE Luxury only.

\*Online functionality and Wi-Fi connectivity is dependent on the installation of a micro SIM with a suitable data contract.

## PARKING AIDS

Parking your vehicle in a busy town or city has never been a particularly simple and straightforward manoeuvre, which is why Discovery Sport features aids to help you reverse and park with the greatest of confidence, even when you're negotiating the tightest of spaces.

### PARK ASSIST – PARALLEL PARK, PARKING EXIT AND PERPENDICULAR PARK

Our Park Assist system makes parallel and perpendicular parking easier than ever by steering your vehicle into a suitable space. You just have to select the appropriate gear and control the vehicle's speed with the brake and accelerator pedals. Park Assist can also steer you out of a parallel parking space, taking all the stress out of parking. Graphics and notifications guide you through the manoeuvres.

### REAR CAMERA

To make parking in tight spots simpler, static lines to represent the vehicle's outer perimeter and predicted path are superimposed on the rearward image displayed on your Touchscreen.

Features and their availability may differ by vehicle specification and market. Please see pages 54-63, or contact your nearest Land Rover Retailer, for more information.

## COMFORT FOR ALL

### CONFIGURABLE AMBIENT INTERIOR LIGHTING

New levels of ambient refinement and personalisation have been reached with the Configurable Ambient Interior Lighting on SE, Landmark Edition, HSE and HSE Luxury.

This feature allows you to vary the colour and shade, changing the ambience of the cabin to suit your mood. There are five colours in total, ranging from Ice White through to Moonlight and Racing Red.

### PANORAMIC ROOF

The full glass fixed panoramic roof\* enhances the sense of space in the vehicle's interior and floods it with natural light, as well as providing uninterrupted views of the surrounding environment.

Importantly, the toughened glass has a dark tint to maintain a comfortable temperature inside the cabin and protect occupants and the interior from the sun's rays. A full-sized, powered interior blind is also provided for those who may prefer a more private experience.

\*Standard on SE, Landmark Edition, HSE and HSE Luxury models.

Touchscreen shown is 25.4 cm (10) Touch Pro.

Interior shown right is HSE Luxury in Glacier/Lunar (Not available in market).

## REAR SEAT ENTERTAINMENT

The Rear Seat Entertainment features two 20.32 cm (8) screens built into the front headrests, two pairs of WhiteFire® digital headphones, one USB port in the second row and a dedicated remote control. Standard on HSE Luxury models, you can feel truly at home with your choice of film, music or games console.

## USB CHARGING POINTS

Want to charge a games console, tablet or smartphone whilst you're on the move? Discovery Sport has USB charging ports throughout all rows, to make charging your devices effortlessly simple.

WhiteFire® is a registered trademark of Unwired Technology LLC and any use of such marks by Land Rover is under licence.  
Vehicle shown top right is Landmark Edition in Yulong White. Interior shown left and bottom right is HSE Luxury in Glacier/Lunar  
(Not available in market).

## ENGINES

# 9-SPEED AUTOMATIC TRANSMISSION

The lightweight, compact 9-speed Automatic Transmission provides optimum fuel economy and CO<sub>2</sub> emissions, as well as greater control in low-grip conditions or when towing through the specially designed, ultra-low first gear.

The transmission is specifically designed for transverse applications, and is one of the most efficient and technically advanced ever used in a production vehicle. Two patented dog clutches replace the bulkier conventional set-up, allowing small ratio steps to give better response during acceleration, plus improved shift quality, drive and refinement.

The higher top gear not only reduces fuel consumption but the lower engine revs improve comfort and reduce noise when cruising at a sustained speed. The 9-speed Automatic Transmission is extremely robust and perfectly complements Land Rover's rugged all-terrain ability whilst delivering exceptionally high levels of refinement and efficiency.

Vehicle shown left is HSE Luxury in Scotia Grey (Not available in market).

## INGENIUM DIESEL ENGINES

### TD4 110.6 kW/132 kW

The Ingenium 2.0 l 4-cylinder 110.6 kW/132 kW Turbocharged Diesel engine produces 382/430 Nm of torque and is optimised to deliver the best fuel economy in the range.

- High-pressure common rail direct fuel injection, exhaust variable cam timing and a high-efficiency water-cooled intercooler work in combination for a clean, efficient combustion.

- Intelligent, electronically controlled, adaptive engine cooling only engages when required – minimising fuel consumption and CO<sub>2</sub> emissions.

- The engine features a variable geometry turbocharger that adapts to the changing flow of exhaust gases for high torque throughout the rev range and responsiveness that is uniform, progressive and reduces lag.

	TIME (s) FOR 0-100 km/h	TOP SPEED (km/h)
2.0 l TD4 Diesel 110.6 kW (Automatic) <sup>1</sup>	10.9	180
2.0 l TD4 Diesel 132 kW (Automatic) <sup>2</sup>	9.9	188

## INGENIUM PETROL ENGINES

### Si4 177 kW

The Ingenium 2.0 l 4-cylinder 177 kW Turbocharged Petrol engine produces 340 Nm of torque, which helps to deliver outstanding driveability.

- The intelligent Continuously Variable Valve Lift (CVVL) system varies the extent to which inlet valves are opened, reducing engine-pumping losses. This lets the engine 'breathe' with maximum efficiency, optimising power and torque.
- CVVL works in combination with dual independent variable cam timing for ultimate operating flexibility, resulting in excellent power and fuel economy across the rev range.
- For excellent acceleration and effortless overtaking, maximum torque is available between 1 500 – 4 500 r/min.
- The twin scroll turbocharger is fed by an integrated exhaust manifold which increases the transfer of energy to the turbine – significantly reducing turbo lag and improving engine response.

TIME (s) FOR  
0-100 km/h

## BODY AND CHASSIS

# STRENGTH AND STABILITY

### BODY

Discovery Sport features an extremely strong, lightweight body structure which has been developed using advanced, weight-saving materials to deliver outstanding stiffness and refinement together with exemplary characteristics in collision situations.

The structure is based on a steel monocoque foundation which is derived from Land Rover's compact SUV platform.

Lightweight technologies are used extensively in the body design including:

- Optimised steel body construction
- Aluminium bonnet, roof and tailgate panels
- Lightweight aluminium suspension components
- Magnesium cross car beam and front end carrier.

### CHASSIS AND VEHICLE DYNAMICS

Discovery Sport has a chassis which has been specially developed by Land Rover engineers to deliver agile and refined on-road dynamics along with the brand's legendary all-terrain capability. Lightweight aluminium chassis components are used extensively to improve suspension performance by increasing stiffness and reducing unsprung weight, while also reducing total vehicle weight.

The chassis features a number of innovations, such as Electric Power Assisted Steering (EPAS), which help the vehicle achieve its unique dynamic character and improved efficiency.

### FRONT SUSPENSION

Aluminium components are used within the front suspension. The front suspension struts have advanced hydraulic rebound stops which help to manage the noise and loads caused by severe impacts such as speed humps, to maintain composure in urban and off-road environments.

### COMPACT REAR SUSPENSION DESIGN

Discovery Sport has a fully independent suspension system with an advanced multi-link rear suspension design. This delivers enhanced dynamics and refinement together with a compact layout to provide increased interior space.

The system has been specifically developed to enhance Discovery Sport's unrivalled breadth of capability, offering responsive and agile handling together with supreme ride quality and refinement. Excellent wheel travel and articulation helps the vehicle achieve class-leading off-road performance.

The compact aluminium multi-link layout also creates a much more spacious rear compartment, with enhanced shoulder and elbow room, the option of 5 + 2 seating and increased luggage space.

Mounted on an optimised steel subframe, the system is light and stiff for optimum steering response, chassis performance and refinement.

# SUSTAINABILITY

Sustainability is at the heart of everything we do and consequently all powertrains on Discovery Sport have been optimised to enhance sustainability by minimising fuel consumption and CO<sub>2</sub> emissions.

Both petrol and diesel engines feature the latest high-pressure direct injection technology and state-of-the-art low-friction designs which have been carefully developed to minimise frictional losses. While both 6-speed Manual and 9-speed Automatic Transmissions are specified with the latest low viscosity transmission fluid to maximise efficiency.

An advanced intelligent Stop/Start system is standard on both manual and automatic models which automatically shuts down the engine in just 300 milliseconds when the vehicle comes to rest. This improves fuel economy and CO<sub>2</sub> emissions by between five and seven percent.

A smart regenerative charging electrical system has also been introduced which has an intelligent power management system to prioritise charging when the vehicle is decelerating, capturing the wasted kinetic energy and reducing the fuel demand of the electrical system.

With up to 13.8 kg of recycled plastic on Discovery Sport's diesel engines and 16 kg on the Si4 petrol engine, as well as up to 22.3 kg of renewable and natural materials in each vehicle, we are taking big steps in reducing our environmental footprint.

## ECO MODE

When activated, this standard feature prioritises the most efficient vehicle settings, including automatic transmission and comfort features like air conditioning, in order to minimise fuel consumption and CO<sub>2</sub> emissions.

The ECO Data feature provides drivers with information and feedback via the Touchscreen to help them adopt more economical driving habits.

## OPTIMISED AERODYNAMICS

With its more streamlined profile, Discovery Sport is one of the most aerodynamic Land Rover vehicles.

## LIGHTWEIGHT MATERIALS

To optimise vehicle performance and efficiency, Discovery Sport has been developed using lightweight materials and technologies. The vehicle has been designed with key weight saving technologies including an optimised steel body construction, aluminium bonnet, roof and tailgate panels, lightweight aluminium suspension components and a magnesium cross car beam and front end carrier.

The All Wheel Drive (AWD) components have also been optimised for weight, while the interior has been designed with efficiency in mind, with optimised seat structures which use laser-welded high tensile steel.

## LIFE CYCLE ASSESSMENT

In order to minimise the vehicle's overall ecological impact, Discovery Sport is designed with a life cycle approach, aiming to minimise the environmental impact by considering the entire life cycle of the vehicle: from development and manufacturing, through customer use, to end-of-life recycling and re-use. Each element of the life cycle was analysed with a view to consuming fewer natural resources, using more sustainable materials and minimising the generation of waste.

## EACH MODEL HAS A CHOICE OF ENGINES AND UNIQUE FEATURES

This guide will help you to select your ideal Discovery Sport.  
On the following pages you'll see the key standard features for each model.

DISCOVERY SPORT PURE

- Brunel grille with Narvik Black surround
- Brunel fender vents
- Body-coloured door handles
- Narvik Black mirror caps
- Brunel Discovery script (bonnet and tailgate)
- Anthracite tow eye covers
- Narvik Black tailgate finisher
- Halogen headlights
- 45.72 cm (18) 9 spoke 'Style 109' alloy wheels
- Fabric seats
- 6-way manual front seats
- Rear Parking Aid
- Power fold, heated door mirrors with approach lights
- Front fog lights\*
- Land Rover Sound System.

DISCOVERY SPORT SE

- Contents of Pure, plus:
- Configurable Ambient Interior Lighting
  - Two-zone Climate Control with second row vents
  - Front Parking Aid
  - Leather steering wheel
  - Cruise Control and Speed Limiter
  - Illuminated vanity mirrors
  - Loadspace cover
  - Rear Camera.

- Replaces Pure content:
- Dark Atlas grille with Narvik Black surround
  - Dark Atlas fender vents
  - Body-coloured mirror caps
  - Dark Techno Silver tow eye covers
  - Automatic headlights with rain sensing wipers
  - Xenon headlights with LED signature
  - Partial leather seats
  - 10-way electric front seats
  - Land Rover Enhanced Sound System.

\*Fog lights not available with Si4 177 kW engines and Landmark Edition.

Pure model shown with Xenon headlights with LED signature. SE model shown is representative of TD4 132 kW. Si4 177 kW comes with Black Design Pack as standard. See page 53.

DISCOVERY SPORT HSE

Contents of SE, plus:

- Park Assist
- Keyless Entry.

Replaces SE content:

- Atlas fender vents and grille with Narvik Black surround
- White Silver tow eye covers
- 45.72 cm (18) 5 split-spoke 'Style 511' alloy wheels
- Perforated grained leather seats
- Meridian™ Sound System.

DISCOVERY SPORT HSE LUXURY

Contents of HSE, plus:

- Rear Seat Entertainment
- Illuminated aluminium front treadplates with Discovery script.

Replaces HSE content:

- Noble Plated upper and lower door handles
- Atlas fog light surrounds, tailgate finisher and Discovery script (bonnet and tailgate)
- 45.72 cm (18) 5 split-spoke 'Style 511' with Gloss Dark Grey finish alloy wheels
- Perforated Windsor leather seats
- 12-way electric front seats with memory
- Adaptive Xenon headlights with LED signature
- Meridian™ Surround Sound System
- Auto-dimming, power fold heated door mirrors with memory and approach lights.

## LANDMARK EDITION

With a striking combination of exterior and interior features, Discovery Sport Landmark Edition has a bold, dynamic presence.

The distinctive design of the front bumper with Graphite Atlas grille and side vents is further enhanced by Graphite Atlas Discovery script and 45.72 cm (18) 'Style 511' wheels in Gloss Dark Grey. The Landmark Edition is available in a choice of three exterior colours – Yulong White, Corris Grey and Narvik Black – uniquely combined with a Carpathian Grey contrast panoramic roof.

A stylish interior features Dark Grey Brushed Aluminium centre stack finishers, Ebony grained leather seats and Ebony headliner. The driving experience is enhanced by a range of technologies including Navigation and Front Parking Aid.

Dynamic style front bumper with Graphite Atlas Discovery script

Unique Carpathian Grey contrast roof with panoramic roof

Dark Grey Brushed Aluminium centre stack rails

## PERSONALISING THE EXTERIOR

In addition to the standard finishes on Discovery Sport, you can tailor the exterior to suit your personal taste.

### DYNAMIC DESIGN PACK

The Dynamic Design Pack takes the vehicle's arresting looks to greater heights. Its striking presence is enhanced by a range of design features including 45.72 cm (18) alloy wheels<sup>1</sup> and Chrome exhaust finishers that truly set it apart.

- Narvik Black mesh grille and fender vents
- Narvik Black mirror caps
- Narvik Black fog light surround
- Narvik Black Discovery script (bonnet and tailgate)
- Chrome exhaust finishers
- 45.72 cm (18) 5 split-spoke 'Style 511' alloy wheels with Gloss Dark Grey finish.

<sup>1</sup>Wheel shown is 50.80 cm (20) 5 split-spoke 'Style 511' with Gloss Black finish that is not available in market.

Vehicle shown above is HSE Luxury with Dynamic Design Pack and TD4 132 kW engine.

## BLACK DESIGN PACK

The Black Design Pack<sup>2</sup> gives the overall design of the vehicle a more assertive appearance, with exterior elements changed to Narvik Black and a distinctive 45.72 cm (18) Gloss Black alloy wheel<sup>1</sup>.

- Narvik Black grille and surround
- Narvik Black fender vents
- Narvik Black mirror caps
- Narvik Black Discovery script (bonnet and tailgate)

- Black contrast roof
- 45.72 cm (18) 5 split-spoke 'Style 511' Gloss Black alloy wheels.

<sup>2</sup>Black Design Pack is only available with Si4 177 kW engine with SE model which features a unique bumper (not shown). Fog lights not available.  
(Wheel shown not available in market. Exterior colour not available in market.)

Now you have chosen your Discovery Sport model, you can select your exterior paint colour. From rich, deep lustres to incandescent metallic patinas, our paints incorporate the latest in pigment technologies. Our solid paints produce a deep flat colour. Our metallics deliver a sparkle finish that is sure to catch the eye. And our premium metallic paints enhance both the colour and the intensity of the sparkle or sleek metallic finish to give your vehicle even more presence.

## CHOOSE YOUR INTERIOR – SEAT CONFIGURATION

### 60:40 Second Row Seats with Slide and Recline

Fitted as standard on SE, Landmark Edition, HSE and HSE Luxury, these seats have forwards/backwards movement of 160 mm, allowing truly flexible use of space for luggage or to maximise passenger legroom. The seats can also recline to provide even greater comfort.

### 60:40 Fixed Second Row Seats (not shown)

Standard on Pure models, the 60:40 five-seat configuration features three comfortable seating positions.

### 5 + 2 Seating

A neatly integrated third row of seats can be specified to give you even more versatility. These seats are ideal for children and teenagers, or adults on short journeys.

They are easily accessed by tipping and sliding forward the second row seats. When folded, the third row seats leave a flat floor in the luggage compartment as if it were a five-seat model.

## LAND ROVER GEAR – ACCESSORIES

Discovery Sport is so capable and adaptable it can get straight to work across a huge variety of vastly differing conditions and roles. Even so, some owners want to add their own stamp of individuality by tailoring their Discovery Sport to their specific needs with a range of stylish, practical accessories that are tough, versatile and bring an opportunity for personalisation.

Importantly, these accessories can be added by your Land Rover Retailer at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover Accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

## DESIGN

Bright Side Tubes<sup>1</sup>  
VPLCP0209

Highly polished stainless steel side tubes provide an off-road inspired appearance, designed to complement the vehicle's exterior design.

Stainless Steel Undershield – Front<sup>2</sup>  
VPLCP0212

The off-road designed undershield, manufactured from stainless steel, features a premium Bright Polished finish for the front of the vehicle.

Stainless Steel Undershield – Rear<sup>2,3</sup>  
VPLCP0213

The off-road designed undershield, manufactured from stainless steel, features a premium Bright Polished finish for the rear of the vehicle.

Loadspace Organiser Tray  
VPLCS0340

Convenient loadspace organiser provides segregated compartments to stow delicate items or separate shopping/luggage. Featuring lockable lids, it is secured via loadspace 'D' loops.

Sill Treadplates – Illuminated  
VPLCS0286LAA – Lunar  
VPLCS0286PVJ – Ebony (not shown)

Sill treadplates featuring illuminated Discovery script. Supplied as a pair for driver and front passenger sides of the vehicle.

Sill Treadplates – Personalised  
VPLCS0343PVJ – Ebony  
VPLCS0343LAA – Lunar (not shown)

Personalised illuminated treadplates allow you to choose a personalised message using an approved set of fonts/typefaces which will be highlighted in White illumination when the front doors are open. Available as front pair only.

<sup>1</sup>Fitting of side tubes may affect the off-road capability of vehicle. <sup>2</sup>Not available with Dynamic Design Pack.  
<sup>3</sup>Not compatible with vehicles equipped with 5 + 2 seating, reduced section spare wheel and towing systems.

## TOURING

**Sunshades**  
VPLCS0298 – Second row  
VPLCS0297 – Third row  
VPLCS0296 – Tailgate (not shown)

Easy to install or remove, these sun blinds provide increased comfort helping to protect passengers from heat and glare of the sun. Three versions available for the second row, third row passenger side windows and the rear tailgate.

**Roof Rails<sup>1</sup>**  
VPLCR0137 – Silver finish (panoramic roof)  
VPLCR0133 – Silver finish (fixed roof)<sup>2</sup>  
VPLCR0136 – Black finish (panoramic roof)  
VPLCR0132 – Black finish (fixed roof)<sup>2</sup>  
Roof rails facilitate easy fitment of cross bars for roof carrying. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics. Maximum payload is 75 kg<sup>3</sup>.

**Cross Bars<sup>1</sup>**  
VPLCR0131  
Elegant, durable Bright finish aluminium cross bars, with T-track design which utilises the full length of the bars, providing space to mount multiple accessories. Aerodynamic profile minimises drag and wind noise.

**Roof Box<sup>1</sup>**  
VPLWR0100 – Large Sports Roof Box<sup>1</sup>  
VPLVR0061 – Sports Roof Box<sup>1</sup> (not shown)  
VPLVR0062 – Luggage Roof Box<sup>1</sup> (not shown)  
Available in a range of sizes, all versions can be mounted either side for kerbside opening in any country and include integral locks for security and peace of mind. Carrying capacity ranges from 320 l for the sports box to the 410 l luggage box or the capacious 430 l large sports box. Maximum payload 75 kg<sup>3</sup>.

**Loadspace Rails**  
VPLCS0349

Loadspace mounted rails to help increase the flexibility of loadspace stowage, also allowing the fitment of the luggage retention kit stowage system. The loadspace retention kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to help provide a comprehensive and flexible solution for retaining luggage and other items within the loadspace. The attachment pack includes a retractable strap with inertia reel and telescopic rod.

**Luggage Retention Kit**  
VPLCS0324

**Seat Back Stowage**  
VPLVS0182 – Premium leather  
VPLVS0181 – Standard (not shown)

Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

**Click and Go Accessory System**  
VPLRS0388

The Click and Go range is a multi-purpose seat-back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use. Image shown is Click and Hang (VPLRS0390).

<sup>1</sup>Roof rails and cross bars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted. <sup>2</sup>Vehicles with a fixed roof require separate ditch finishers, colour matched to the rails. Part No. Silver – VPLCR0135 and Black – VPLCR0134. <sup>3</sup>Maximum payload equals the load capacity of the roof mounted accessory.

## SPORTING

**Loadspace Liner Tray**  
VPLCS0274  
VPLCS0268 – With luggage divider (not shown)  
Semi-rigid waterproof loadspace liner tray with a raised lip on three sides to protect loadspace floor and side wall carpets from dirt or wet equipment.

**Aperture Retention Net**  
VPLCS0267  
The aperture retention net prevents small items from falling out of the loadspace when the tailgate is opened and maximises packing space. Manufactured from premium lightweight materials including high grade machined aluminium to ensure robust quality.

**Rear Loadspace Treadplate Finisher**  
VPLCS0353LAA – Lunar  
VPLCS0353PVJ – Ebony (not shown)  
Manufactured from stainless steel with a Bright finish, the rear loadspace treadplate finisher provides protection for the loadspace trim when loading or unloading.

**Tow Bar Mounted Bike Carrier**  
VPLVR0068 – Three Bike Carrier<sup>4</sup>  
(not shown)  
The tow bar mounted bike carrier features a one hand, quick attach/release tow bar coupling mechanism and can be tilted away from the vehicle, by use of a foot pedal, to allow easy access into the rear tailgate. The tailgate can be opened with carrier in deployed/folded position. Manufactured from aluminium and other lightweight materials, the bike carrier also features a rear lighting and licence plate mount and it is lockable for security. The carrier has a folding/sliding mechanism to allow ease of stowage when not in use. A holder and ratchet function ensure bicycles are safely secured. Maximum load capacity 51 kg (on the three bike carrier).

**Towing System – Detachable Tow Bar<sup>5</sup>**  
Towing Electrics – 13 Pin<sup>6</sup>  
VPLCT0182  
Convenient and easy to use, the detachable tow bar ensures a clean look when not in use. Please contact your nearest Land Rover Retailer for feature and vehicle availability.

**Waterproof Seat Covers**  
VPLCS0291SVA – Front (Almond)  
VPLCS0292PVJ / VPLCS0293PVJ – Second row / third row (Almond – not shown)  
Helps protect seats from mud, dirt, wear and tear. Easily fitted and machine washable.

<sup>4</sup>Heat Shield is required for two and three tow bar mounted bike carrier – VPLWR0124. <sup>5</sup>Maximum towing capacity 2 200 kg for 5 + 2 seating (capacity dependent upon engine, powertrain variant and seating). <sup>6</sup>Towing electrics must be ordered with part shown, please consult your Land Rover Retailer for further information.

## OUTDOOR

Pet Pack with Mat  
Luggage Partition – Full Height  
VPLCS0299

Combines the loadspace rubber mat with the full height partition, to protect both your vehicle and your pet. The rubber mat is waterproof, protecting the vehicle's loadspace floor carpet. The full height partition prevents access to the passenger compartment, while safely containing and protecting your pet.

Luggage Partition – Half Height<sup>2</sup>  
VPLCS0300

Designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimised to second row seating featuring tilt functionality.

Loadspace Mat – Rubber  
VPLCS0279  
Waterproof rubber mat helps to protect the rear loadspace carpet from general dirt. Rubber mat extension for protection of the back of the rear seats when folded down also available – Part No: VPLCS0273.

Fixed Side Steps<sup>3</sup>  
VPLCP0210

The side step aids entry and exit to the vehicle and improves access to the roof. Design features include Bright stainless steel edge trim and a rubber tread mat.

Mudflaps  
VPLCP0203 – Front  
VPLCP0204 – Rear  
VPLCP0277 – Rear with 5 + 2 seating<sup>4</sup>

Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt. Designed to complement vehicle exterior design.

Rubber Floor Mats  
VPLCS0278  
VPLCS0280 – Third row (not shown)  
Rubber footwell mats help provide protection from general dirt.

<sup>1</sup>Pet Pack can be fitted with either loadspace rubber mat (VPLCS0279) or loadspace liner tray (VPLCS0274). <sup>2</sup>Can be fitted with loadspace rubber mat (VPLCS0279) and loadspace liner tray (VPLCS0268).

<sup>3</sup>Fitting of side steps may affect the off-road capability of vehicle. <sup>4</sup>Offered for vehicles equipped with reduced section spare wheel.

## OTHER

**Mirror Covers – Noble**  
VPLCB0251

Noble Chrome Plated mirror covers designed to enhance Discovery Sport's exterior design cues. This neat design upgrade complements various Bright finish exterior trims.

**Wind Deflectors – Side Windows**  
VPLCP0258

Wind deflectors for side windows to help to improve comfort levels in the cabin when driving with windows open, by reducing air turbulence and noise and allowing fresh air to be circulated in the cabin.

**Pedestrian Airbag System**  
LR067898 – Gloss Black

A Gloss Black finish to the pedestrian airbag system is designed to enhance Discovery Sport's exterior design cues. This striking design upgrade complements various exterior trims and paint colours.

**Luxury Carpet Mat Set**  
VPLCS0283LAA – Lunar  
VPLCS0283PVJ – Ebony (not shown)

Luxurious, tailored, deep pile 2.05 g/m<sup>2</sup> carpet mat set, with waterproof backing, provides a well appointed finishing touch to the interior.

**Gearshift Paddles**  
VPLVS0187MMU – Aluminium  
VPLVS0187CAY – Aluminium Red

Complete the look and feel of your steering wheel with premium aluminium paddles. Gearshift paddles are machine polished, anodised and hand brushed to provide exceptional wear resistance with a premium finish.

**Sports Pedal Covers**  
VPLHS0044 – Automatic Transmission vehicles

Stainless steel Bright finish sports pedal covers are easy to fit and feature hidden fixings for a clean finish.

# WORLD OF LAND ROVER

Your Land Rover has been designed and engineered to help you make more of your world. It can take you to places other vehicles simply can't reach in a style that cannot be matched. To celebrate the Land Rover lifestyle, we've put together a range of experiences, publications and Land Rover branded goods. There's a world to explore. Get out there and enjoy it.

## ADVENTURE DRIVES

From the sheer exhilaration of the Arctic ice to the awe-inspiring dunes of Namibia, Land Rover Adventure Drives offer you once-in-a-lifetime experiences that bring the spirit and emotion of our vehicles to life.

Search '[Land Rover Adventure Travel](#)' for full details.

## EXPERIENCE DRIVES

Get behind the wheel of the latest Land Rovers under the expert guidance of our qualified instructors. From Taster Drives to advanced Full Day experiences, there's a wide range available at one of the expanding network of Experience Centres across the world.

Search '[Land Rover Experience](#)' for full details.

## MANUFACTURING TOURS

These behind-the-scenes tours are a unique opportunity to step inside our state-of-the-art manufacturing facilities where the latest Land Rovers are born. This combination of unrivalled craftsmanship and cutting-edge robotics can be seen at either Halewood or Solihull.

Search '[Land Rover Behind the Scenes](#)' for full details.

## BRAND PARTNERSHIPS

Integrity, courage, pride, composure and capability; these are the values Land Rover shares with its partners. Whether the International Federation of Red Cross and Red Crescent Societies (IFRC), Rugby World Cup 2019™ or Virgin Galactic, each one is driven by exceptional people prepared to face extreme challenges and push their capabilities to the very limits.

Search '[Land Rover Partnerships](#)' for full details.

## ONELIFE MAGAZINE

Free twice a year for your first three years as a Land Rover owner, this award-winning magazine features the best in photography, authoritative journalism and expert insights. Onelife takes you right into the heart of exclusive experiences and extraordinary adventures, whilst keeping you up to date with the latest innovations, design and lifestyle choices.

Search '[Land Rover Featured Articles](#)' for full details.

## HUMANITARIAN PARTNERSHIPS

Since 1954, Land Rover have supported the International Federation of Red Cross and Red Crescent Societies in reaching 150 million people needing aid in 189 National Societies.

Search '[Land Rover Responsibility](#)' for full details.

## LAND ROVER COLLECTION

Our latest range of clothing and luxury leather goods is crafted with the same design excellence and attention to detail as our vehicles. We also have a collection that honours Land Rover's unique heritage and features expedition-inspired gifts and apparel.

Search '[Land Rover Collection](#)' for full details or visit your local Land Rover Retailer.

# YOUR PEACE OF MIND

## CUSTOMER SERVICE

When you bring your Land Rover to us, we use cutting-edge diagnostic equipment to assess all your vehicle's mechanical and electronic systems. Our qualified Technicians use tools specifically designed for our vehicles and only fit genuine Land Rover parts and Gear accessories. A choice of service plans are available which, together with Roadside Assistance, ensures complete peace of mind.

For further details contact your local Land Rover Retailer or search 'Land Rover Ownership'.

## LAND ROVER ROADSIDE ASSISTANCE

Land Rover Assistance provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, whatever the situation, wherever you happen to be.

For further details please consult your Warranty Benefits handbook, contact your nearest Land Rover Approved Service Centre or search 'Land Rover Roadside Assistance'.

## LAND ROVER FINANCIAL SERVICES

Getting the keys to your very own Land Rover has never been so simple. And it's more affordable than you might think. New or used, for personal or business use, we have an option that puts you in complete control.

For further details contact your local Land Rover Retailer or search 'Land Rover Finance'.

## FLEET & BUSINESS

Land Rover is dedicated to being the premium manufacturer of choice for fleets and businesses, by providing a highly attractive range of vehicles and exemplary customer service. Distinctive, capable and versatile, all Land Rover vehicles deliver low Total Cost of Ownership through strong residual values, competitive service, maintenance and repair costs, and impressive fuel economy and CO<sub>2</sub> emissions.

We are also committed to providing a totally customer-focused aftersales service, which will ensure every Land Rover vehicle is kept on the road and in top condition, in the easiest and most cost-efficient way for businesses.

Search 'Land Rover Fleet and Business' for full details.

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually.
