Audi Q8 Sportback e-tron

Electrifying design.

The all-new Audi Q8 Sportback e-tron with its imposing silhouette and distinctive sloping roofline also debuts a striking new body-coloured Singleframe grille and optional 21 or 22" inch tyres. Sophisticated vehicle design for luxury motoring, now with electric drive.

Get in and feel good.

Modern and intuitive, the cockpit of the Audi Q8 Sportback e-tron allows you to simply carry on leading your digital life. Generous headroom and legroom ensure you sit comfortably, while high-quality materials guarantee a sense of exclusivity. Enjoy the low noise level made possible by the virtually silent electric drive.

No compromise.

The true spirit of the Audi Q8 Sportback e-tron lies in its performance. 664Nm of formidable torque, 0-100km/h in just 5.6 seconds and all-wheel drive as standard; it's inspired engineering that is quintessentially Audi.

The forefront of e-mobility.

The Audi Q8 Sportback e-tron harnesses a 114kWh lithium-ion battery to produce an increased driving range up to 600 kilometres and an impressively fast charging time. Defy the limits. Drive the change.

Technical specifications

Electric. And full of wonderful details. A singularly potent mix of progress and performance, the Audi Q8 Sportback e-tron is truely a pioneer of all-electric quattro.
